|----------------------|---------------------------------------------------------|
| <b>Date</b>          | 11 July 2026                                            |
| <b>Team ID</b>       |                                                         |
| <b>Project Name</b>  | Rising waters - Flood Prediction using Machine Learning |
| <b>Maximum Marks</b> | 2 Marks                                                 |

### Customer Journey Map

Map out the customer's experience stage-by-stage, capturing their actions, touchpoints, thoughts, and feelings, along with process ownership and improvement opportunities at each stage.

| Phase of Journey                                                            | Stage 1                                                                                                                                               | Stage 2                                                                                                                                            | Stage 3                                                                                                                                                              |
|-----------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------|
